

University of Cambridge Law Faculty Exchange Scheme Framework for European Students 2024-25

Introduction

Exchange students who come to Cambridge as participants in exchanges initiated by the Faculty of Law will follow courses selected from those offered for the undergraduate Tripos. Exchange students may not take any course not listed in this document or offered by other Departments or Faculties.

No exchange student may transfer to a regular Cambridge course during their period of study in Cambridge and thus become eligible for a Cambridge degree.

1. Language Skills

It is essential that students have English language skills that are good enough to undertake an intensive and challenging academic course that is taught and examined in English. All students who are non-native speakers of English are required to sit an online English assessment as part of their application. This will be arranged by the International Student Office in conjunction with your home University Exchange Coordinator.

Students are only exempt from taking the assessment if they already have one of the following qualifications, obtained within the last two years:

- IELTS: normally a minimum overall grade of 7.5, usually with 7.0 or above in each element
- Cambridge Certificate of Proficiency in English: grade A or B.
- Cambridge Certificate in Advanced English: at grade A
- TOEFL iBT Certificate with a minimum overall score of 100, with at least 25 in each element

2. Application Process for Incoming Exchange Students

Please see the Incoming Students pages on the [website](#) for further information, but a brief overview of the application process is outline below:

1. Nomination from home University coordinator to the ISO in Cambridge by 31st March
2. Undertake the University Language Centre Assessment (unless exempt as detailed above)
3. Attend an exchange applicant webinar
4. Invitation to apply online via the University of Cambridge's online portal. Application (including upload of supporting documentation) must be completed by 30th April
5. Application documents are considered by the Faculty of Law
6. Students are notified of a Departmental decision
7. Students are considered by Colleges for a place
8. Students are notified of a College place and receive their signed Learning Agreement
9. Arrival – attend welcome events

3. Learning Agreements

When they first apply to Cambridge around March – April, exchange students will be asked to list specific courses that they will be following when they arrive in Cambridge. Learning Agreements will be agreed in accordance with the guidelines set out in this document shortly after a student's application is received. They may only be revised subsequently with the approval of the Faculty.

When considering a student's suitability to study at Cambridge under the exchange scheme the accepting Department will review the Learning Agreement. Students should read this document carefully to ensure that they are selecting courses at the right level for their Learning Agreement.

Seminar Courses

Seminar courses are taken in lieu of a paper and are assessed by way of essay rather than an examination. Applications to take part in any seminar course must be received by the Faculty Office before the end of the Easter Term preceding the year in which the candidate wishes to take part. Details of the seminar subjects available for 2024-25, as well as an application form, can be obtained from the Director of Studies at your allocated college in **late May/early June 2024**. A candidate participating in a seminar course is required to submit - by the seventh day of [Full Easter Term](#) - an essay not exceeding 12,000 words (including footnotes and appendices, but excluding bibliography).

Seminar courses that were offered in 2023-24 were:

Paper 50B: Select Issues in Criminal Law and Criminal Justice

Paper 50C: Family in Society

Paper 50E: Law and Ethics of Medicine

Paper 50F: Private Law

Paper 50G: Public Law

Paper 50J: Tax Law and Policy

Confirmation of Seminar Papers being offered in 2024/25 will be available later this year.

If you have any queries about the courses listed above, please contact Miss Helen Waring (*Undergraduate Exchange Administrator for Law*): hw441@cam.ac.uk

5. Assessment in Cambridge

Exchange students are assessed via formal exams held during Easter Term. Examination entry is administered through **their College** and students should inform their College of the exam papers for which they need to be entered in early November. Exchange students who have applied (and have been accepted) onto a seminar course, must submit their essay to the Faculty Office (via Moodle) for assessment by 12 noon on the seventh day of [Full Easter Term](#).

6. Transcripts

At the end of the academic year, once results have been confirmed, the University makes transcripts available to students via their CamSIS self-service page.
